From the President's Desk

As we step into a new year, we bring to you the e-newsletter with new aspirations in making our journey a beautiful one.

Our newer aspirations just got reinforced with our newly elected office bearers for 2015-2016. The medical camp has always been something close to my heart and we feel greatly affectionate towards our staff members and the students for being a part what we cherish doing the most.

What keeps us going is your participation. I look forward to more such participation in greater numbers for all that we have in the store this year and I wish you a happiest one.

ANNUAL GENERAL BODY MEETING - 2015

The Annual General Body Meeting was held on 19 October 2015. The meeting was brought to order by Jugnu Uberoi, President, Alumni Association, Christ University. He was filled with immense happiness for all the successful endeavours of the alumni association for the year 2014-2015. He further expressed his gratitude by thanking all the members in the team for their remarkable contributions towards various activities of the alumni association last year.

The annual report was presented by Sushil Dwarakanath, Hon. Secretary. The meeting was then set off in passing on the responsibilities of the association to the new set of individuals. After electing the members for 2015-2016, Mr. Uberoi ushered the newly elected office bearers and core committee members to have a brief interaction with the Dr. Fr. Thomas C Mathew, Vice Chancellor. The newly elected members were greeted warmly and welcomed to the Alumni Association. They are now ready to carry forward the legacy of the association in setting a unique shift in the paradigm of the association's contributions, as witnessed every year. They are all filled with indomitable spirits and have already plunged into the actions towards making a lasting difference in the lives of our people. A new year, a new start and way to go!

Medical c a m p

December 11&12, 2015

Health is of utmost importance which facilitates in the balancing the needs of our lives and a regular check up on our health keeps us away from any distortion to it. Medical camps are conducted every year to ensure that our students and the staff members are in the pink of one's health, helping them tread the academic trajectory with vigour and vitality. Yet another medical camp was organized in association with Narayana Health and Titan Eye+ on 11 and 12 of December, 2015. The health camp ranging from various services such as eye tests, blood grouping, diabetic test, ECG, Echo and Heart checks, and blood donation to finally doctor's advice was nothing less than a holistic approach to the critical health indicators. The camp witnessed an overwhelming response of over 1100 students and the staff members. The blood donation drive had 337 blood units from the donors. Besides, Titan Eye+ also helped in keeping the health at bay, by offering huge discounts on the frames and lens for every purchase made by the staff members during the camp. We are extremely thankful to Narayana Health and Titan Eye+ for working hand in glove with us and for being integral players in achieving our goals.
