From the President's Desk

Christ University Alumni Association members have always been in the forefront in providing financial assistance to students.

The current issue provides updates on the scholarship grant received by the students. We were able to provide assistance to 110 students for the academic year. Rs.9,40,800/- grants were released for this purpose. In addition to this, we were able to support two differently abled students towards purchasing user friendly vehicles.

We appreciate the contribution and support by the members in getting the funds mobilized.

I look forward to more alumni joining us in our activities and connecting with Christities over the world.
